Assessment Objectives There are four assessment objectives for all the subjects under the Art and Design AQA specification.	AO1 Develop ideas through investigations, demonstrating critical understanding of sources.	AO3 Record ideas, observations and insights relevant to intentions as work progresses.	Drawing within each subject is an essential area to be included within the sketchbook. All work carried out in Y10 will contribute towards forming part of the overall exam coursework entry worth 60% of the final grade. Final GSCE Grade = Coursework: 60% Controlled Test 40%	
	AO2 Refine work by exploring ideas, selecting and experimenting with appropriate media, materials techniques and processes.	AO4 Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language.

Artist Research Guide

What is the name of your chosen Artist or Designer?

What year was he/she born? And does the time have any contextual relevance to the artwork?

What is the title of the piece?

When was it made?

How big is the piece?

What has it been made from?

CONTENT

- What is the subject matter of the work? What is it about?
- Was the subject matter based upon direct observation, or was it invented or imagined by the Artist/Designer?
- Was the intention to represent it realistically or to distort, exaggerate or abstract?
- What are YOUR opinions of the work? Do you like or dislike the piece?
- Is the work Typographic / Photographic / Art based? What aesthetic does this create? Do you like the style?
- How has the designer/artist used typography to enhance their work?

Draw an example of the artwork using a black fine liner pen

STUDY 1

Complete a media study of your chosen artwork using Paint, Collage or Printmaking

MM September 2020

STUDY 2

FORM

- How has the design been arranged?
- What colour scheme has been used? Is it subtle or vivid?
- Is there one overall shape to the design or is there a sequence of shapes?
- Does the design have a variety or unity of textures?
- Is the design of the work created using recurring shapes, lines, rhythms, tones or forms?
- Does one colour dominate the design?
- How has the piece been laid out? Has the designer used a grid system or shape to underpin their design? Does it make predominant use of text/image/colour/shape? How has the designer used white space? Can you suggest any improvements?

Complete a mixed media tonal study of your chosen design

STUDY 4

MOOD

- Does the design affect you in any way?
- Why did you choose this piece to study in your project?
- Does it capture or convey any feelings or emotions?
- Can you imagine what the artists' feelings were when they were producing the piece?
- How will this Artist Research you have created affect your overall project?

Choose one section of the design and create a collage based upon it

STUDY 3

PROCESS

- How was the work made, and what from what materials, resources or techniques?
- Do you think the Artist or Designer worked quickly or slowly – how can you tell this from the piece?
- What supporting work do you think the designer created when he was designing the piece?
- What techniques have they used? Could you work in a similar way?
- Produce test pieces using a similar working process, annotate your work

Use ICT to create a study based upon the piece (Photoshop, Illustrator etc....)

Art & Design Knowledge Organiser

Key Words / Formal Elements:

Line	A single mark made by an implement.		Perspective	A way of making a drawing or painting look deep and real. A method of making things appear near or far.	
Tone	How dark or light a shape is. You can use a pencil to shade or make colours lighter or darker. This makes objects look real and solid.		Medium	The tools and materials used by an artist.	
Pattern	When shapes, colours or lines are repeated		Rhythm	A regular measured beat. In art this can be shown as repeat shapes, patterns or colours.	
Form	Appearing three dimensional		Symmetry	When two sides or shapes are nearly the same.	
Colour	There are three primary colours: Red, Yellow & Blue. By mixing any two primary colours we get a secondary colour e.g. Yellow & Blue = Green		Symbol	A simple sign which stands for something bigger or complex.	
Texture	How the surface of something feels.		Two Dimensional - 2D	Having length and width only, something which is flat.	

Shape	The outline or form of something.		Three Dimensional - 3D	Having length. Width and depth. Something that is solid.	
Composition	The position and layout of shape on the paper.		Collage	An image created by means of sticking material, (usually torn or cut paper) to the picture surface.	
Focal Point	The place to which the eye is lead within a picture, the main interest.		Still Life	A painting or drawing of inanimate (still) objects.	
Foreground/Background	The front of the composition and that which is behind it.		Landscape	A picture of a town or countryside, also a composition that is sideways.	
Proportion	The size and shape of one object in comparison to another.		Portrait	A picture of a person, also a composition that is upright.	
Scale	The size of an object next to others.		Chiaruscuro	(An Italian word meaning 'light and dark'.) The technique of suggesting 3 dimensional form by varying tones of light and dark paint.	
Sketch	A rough drawing. A small trial run to see if ideas work.		Impasto	Thick paint applied by brush or palette knife.	
Space	The distance around and between things.		Cross-hatching	Lines are placed over each over at different angles to build up areas of tone.
