

NORTHGATE HIGH SCHOOL CODE OF CONDUCT

This code has been drawn up by staff and pupils to encourage the smooth running of our school and to promote consideration for others in school and in our community.

We expect high standards of behaviour **at all times**, both in the classroom and outside.

Good manners and politeness are expected in all situations. **Rudeness, bad language and over-familiarity will not be tolerated.**

At Northgate we aim to create a community where respect is shown to all its members, and where pupils are ready to learn and where we all accept responsibility for our actions.
