

Music Department Assessment and Feedback Policy

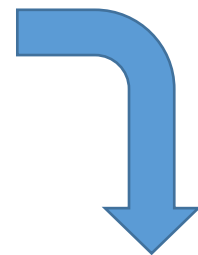

In Music

KS3: Use exercise books to record important information such as keywords and definitions. This is not marked. Worksheets for assessments will be stuck here and will either be teacher or peer marked. Marks are saved on Go4Schools.

Homework: mostly quizzes but other homework is set when appropriate to the topic. Reflect and Correct via Goggle Classroom

KS4: GCSE students have folders to store notes and workbooks. Dividers separate AoS. Class tests may be peer marked. Other homework tasks and assessments are teacher marked. Feedback and corrections made. Reflect and Correct via Goggle Classroom

KS3 & 4: Recordings made of classwork and performances are recorded (either via Idoceo, handheld recorder or Audacity) These are stored to review progress and as possible GCSE performances.

Teacher Assessment

KS4: Mocks taken and marked against Eduqas mark schemes.

KS4: Regular formative tests before topic assessments

KS3: regular monitoring of skills progress (guitar/keyboard/etc) over 2-3 weeks against performing criteria for unit.

Verbal feedback is in every lesson.
Teacher/Peer

Digital records kept. Samples of work scanned/uploaded to track progress

KPIs – reviewed each half term.

Class work

Listening work – notes and questions via exercise books or worksheets. Self marked. Verbal feedback on answers.

Performance: Group and solo performances assessed and verbal feedback given. Recordings listened to via GC or in lessons. Students to write reflections on own view and others feedback.

Composing – regular feedback throughout process. Suggestions and refinements written and reflection on how these are acted upon

Reflect and Correct and Missions

Each student has a digital folder which has information on previous and current grade.

Teachers include feedback here. Students spend part of a lesson once per topic to read and reflect on feedback and missions. These folders can also be accessed anywhere so students or teachers can upload or add further information on any actions or improvements made.

KPIs also digital and in books. (TBC)
